Dear Polly,

North Norfolk Local Development Framework (LDF) Sites for Travelling Showpeople

I refer to your letter of 22nd inst. regarding the above.

I can confirm that, at the present time and to the best of my knowledge, there is no requirement for a site for travelling showpeople in your district. I view the specifying criteria for such people to be adequate.

However, I need to comment on your suggestion of combining the policies of gypsies and showpeople. Although both groups live mainly in travelling homes this is where the comparison ends! Showpeople get very upset when compared or grouped with gypsies or "travellers" therefore we would recommend that the two policies remain separate in order that there will be no attempt (should the need arise) to provide one site for both groups.

Yours sincerely

Secretary
