Mrs Beverley Hart
Programme Officer
North Norfolk LDF Core Strategy Examination
North Norfolk District Council
PO Box 5
Holt Road
Cromer
Norfolk
NR27 9DY

Dear Mrs Hart

Representation re Policy EC10: Occupancy Conditions

Further to our recent representation concerning the above policy (1149), I attach a copy of correspondence from the Deputy Director General of the British Holiday & Home Parks Association concerning policy EC10 of the Core Strategy Submission Document.

For the Inspector's information, the BH & HPA is a national organisation that acts as a representative and informed voice at national level for the Holiday Park, Caravan and Self Catering accommodation sectors and was closely involved in the development of the Good Practice Guide on Planning for Tourism. I understand that that the Director General was not consulted directly on the North Norfolk Core Strategy, and has heard of this policy directly from ourselves; hence this late response in the process.

It is my intention to refer to the content of this letter at the examination and I would be grateful therefore if you could bring it to the attention of the Inspector and the Council's representatives.

Yours sincerely

Glyn Davies
Norwich Office Partner
