Dear Mrs Hart

**Re: Stalham Town Council – NNDC Core Strategy**

Thank you for your email regarding the changes to the proposal map made by the District Council.

Mr Tony Ross-Benham has asked me to confirm in writing that the Town Council were happy with the changes to the map but to consider the policy sound they would also want to see that the wording in the policy will state that the ground floor of premises in the primary retail area along the High Street should be for retail/commercial use.

Yours sincerely

  
Clerk to the Town Council
