RE: PROPOSED FOOTBALL PITCH AND DRAINAGE

Dear Mr Mermagen

Thank you for your enquiry regarding the possible drainage of the new village green/ sports pitch on your land @ Roughton. Further to your request we can confirm a senior size football pitch meeting Football Association guidelines as shown on your submitted plan can be accommodated, as shown.

Our proposal is to excavate & install land drains at 8 meter centres to the area south of the ditch shown on your plan, it is proposed for the drains to outfall into the Ditch and that this ditch will be cleaned out prior to the commencement of our work by others to allow our installed drains sufficient freeboard.

Further to this, it is proposed to excavate and grade the area of the sports pitch to ensure a level playing surface & following this, cultivate prepare seed bed, sow seed and roll.

ESTIMATE

To Excavate, install for and lay drains with shingle above to within 150mm of the surface to an area approximately 16000 M² (2.5 acres) Price £ 10,000.00

To Excavate, grade to level, cultivate soil & seed with sports field grade grass seed Price £ 4500.00

There will be a final element of hand-picking of surface stones from the pitch following seeding & this has not been fractured into the above estimate.

The estimate makes no allowance for vermin protection in the form of post seed fencing.

The estimate makes no allowance for the supply of irrigation equipment or associated labour, should conditions at the time dictate, to ensure seed germination.

This quotation is subject to VAT @ 15%

This quotation is subject to our standard terms and conditions detailed overleaf.

We hope that this estimate meets with your approval but should you have any queries then please don't hesitate to contact us.

Assuring you of our best attention at all times.

Kind regards

Paul Bush
