3. Main Discussion: Uses of the new hall – flip chart
Uses of the land – flip chart
What can you offer?
4. Visit to Neatishead Village Hall (and other suggestions)
5. Any other issues

Uses for the new village hall	
What do you think it should be used for?	What can you offer/ suggest?
Wide range of club meetings	
Quiz nights	
Social gatherings	
Craft groups	
Dog training	
Christmas Faye	
Christmas Dinner	
Christmas Carols	
Luncheon club	Help with luncheon club – Liz Robson
Parties for children (i.e. Christmas)	

Flower arranging	
Keep fit	
Cookery classes	
Music group	
Don't want it used for squash/badminton	
Oh yes we do!	
Add a tick (✓) to show you support an existing suggestion	

Uses for the land around the new village hall	
What do you think it should be used for?	What can you offer/ suggest?
Allotments	
Car Boots	
BBQ's	
Village Fete	
Environmental education for children	
Bug huts	

<p>Sports/games</p> <p>If the land is to be put to any other uses, a large portion should be preserved around the hall itself to provide space of fetes etc. the bottom right-hand corner, south of the existing buildings might be hedged off for limited allotment usage perhaps.</p>	
<p>Add a tick (✓) to show you support an existing suggestion</p>	

<p>Any other issues, suggestions or comments</p>	
<p>Cleaning rota</p> <p>I am concerned that it would not get used enough and it would fall on the elderly to run it as they are the people who have the time and inclination.</p> <p>Sewerage Pumping Station is a serious problem. Must be resolved with Anglian Water who is not at all cooperative.</p> <p>Maybe there could be a 'way in' AND 'way out' to the village hall.</p> <p>We may be able to get heritage funding if we looked at displaying the village's heritage (Mrs Bradley).</p> <p>Maybe we need to conduct a village survey of what's wanted by the village.</p>	
<p>Add a tick (✓) to show you support an existing suggestion</p>	

Attendance Sheet
